

Thursdays
4:00pm to 4:45pm
April 5 - June 7 (10 sessions)

For Grade 2 students

This hands-on program is designed to direct children's inherent curiosity toward discovering the possibilities of improving the world around them.

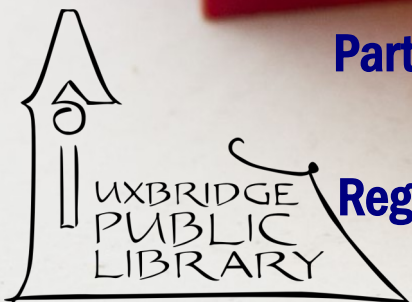

With adult coaches and the FLL Jr. Core Values, students work with LEGO elements and moving parts to build ideas and concepts.

\$25 per child.

Participants must pre-register in person at the Children's Desk.

Registration begins February 12, 2018.

Limited space.

**Meet Hydro the water drop!
Find out how water, like Hydro, gets to you. Can you help make Hydro's journey better?
Join us on an AQUA ADVENTURE!**
