'Danger in the Darien'

Travel by dugout canoe with Anne Godbehere to visit an Embera tribe in a remote part of the Panamanian Rainforest. Anne, a staff member, along with husband Wayne, are seasoned travelers with a taste for adventure! Hear about their experiences as she guides us through a slide show depicting their 'holiday in a primitive hut' on a Pacific beach and the medicinal plants discovered on their trek into the interior. A unique opportunity to gain insight into a way of life far removed from that known to us in North America!
