Summer Reading Club returns to Zephyr Library this Summer. Pre-register soon.

Kick Off Day: Thursday, June 26 @ 4 p.m. Zephyr Library.

Grades SK to 6 (in the fall)

June 26 is the first day you can pick up your start up kit of goodies and get a chance to sign out some brand **NEW** books at the Zephyr Library. Kits will be given out until late July, so come when you can.

This is a non-competitive reading program for kids during the summer. They choose their own books, graphic novels or magazines at their own reading level. Rewards are given weekly for accomplishments. This summer there will be two special events led by Olivia the Program Summer Student.

There are weekly activities set up at the library where kids can work on their own to create something. Pre-register in person or by phone is advised so that we can prepare the kits and prizes for the summer.

Eureka!

Drop in to the library to pick up a new movie or book, or just to browse the collection and find something you are interested in. New items arrive weekly and are displayed on the library cart. Come in and see!
